Get in the habit of filing a Float Plan. It can assure quicker rescue in the event of a breakdown, stranding or weather delay. Fill out the permanent data in Sections 1 and 2. Then, make enough copies to last for the season. If you file a Float Plan with someone not at your home, such as a harbormaster or boating friend, be sure to notify them as soon as you return. Don't burden friends or authorities with unnecessary worry and responsibility if you are safe.

Check your *BoatU.S. Towing Guide*. Some listed companies will accept a verbal Float Plan via telephone or VHF.
